ROSECRANS Care Center

Rosecrans Care Center

Whether you or a loved one requires short or long term skilled care, Rosecrans Care Center offers a variety of services to meet those needs. Individualized care is provided by an inter-disciplinary team of licensed nurses and certified staff. We are dedicated to the physical, personal, social and spiritual well-being of each resident.

Our Environment

We are committed to accommodate our residents in a safe, secure, clean and comfortable environment. Rosecrans Care Center offers 113 licensed beds with state-of-the-art medical equipment.

Healthcare Team

Our healthcare team meets regularly to set goals that will maintain or improve each resident's physical and psychosocial well-being.

Therapy Services

Physician prescribed therapy is provided to residents requiring both long and short term care. Rosecrans Care Center's therapy services are provided up to seven days a week by licensed professional therapists. Rehabilitative disciplines include: Physical Therapy, Occupational Therapy, Speech/Audiology

Nutritional Services

A registered dietician selects well-balanced, nutritional meals. Special diets, as prescribed by a resident's doctor, are also provided.

Activities

Residents are given the opportunity to participate in a full calendar of recreational and social events such as crafts, games, music and religious programs.
